## Guest Speaker for June 27:

**Bill Seidel, CEO and President** [www.americainvents.com](http://www.americainvents.com)

Mr. Seidel has 30 years of experience as an authority and lecturer on marketing and innovation. He has worked in senior management positions with leading corporations to develop and market brand name products. During his career he worked with great entrepreneurs (founder of Atari) and leading innovators (co-founder of the Infomercial Industry). And he worked with marketing gurus, visionary business minds, international speakers and leading authors. He also executed license agreements with leading corporations and the US Air Force. Bill has consulted with the National Laboratories on technology commercialization, co-authored *Commercializing Federal Laboratory Technology*, serves as a court-approved expert witness for product and marketing litigation and he addresses the California Senate on direct marketing issues.

## Guest Speaker for July 25:

**Stephen Key Co-Founder** [www.inventright.com](http://www.inventright.com)

**Stephen Key**

Stephen Key is a successful award-winning inventor who has licensed over 20 inventions in the past 25 years. Having learned exactly how to achieve inventing success, Stephen founded inventRight with partner Andrew Krauss in the spring of 2002. The company is dedicated to helping inventors license their inventions through education, advice, and support.
